

## The Supporting Line-up

Starting out as an acoustic solo artist back in 1990, there is no way Kathy could have ever fathomed where her musical journey currently resides. She now fronts the 8-piece colossus that bears her name. Beginning with Kathy's soulful, bluesy singing style, she has amassed a supporting roster of musicians that have been described by the Hartford Advocate as "impeccable...finely calibrated...and tight." Behind Kathy's powerful voice, she is joined by a three piece horn/background vocal section consisting of Patrick Casey on trumpet Keith Lafond on saxophone/ flute, Ski Choronzky on baritone saxophone. Greg Benn on lead guitar/vocals, Angelo Hunter, percussion/vocals and Marco Santana on drums, and Paul Lebinski on electric bass. Together, KTB, is an unstoppable force that gets audiences out of their seats and onto the dance floor. Mixing old school funk, soul, and R'n'B hits along with a complementary .sprinkling of selections from contemporary artists to send your spirits grooving.
