**OFFICE OF THE SUPERINTENDENT**

March 16, 2020

Dear Ansonia Families,

As promised, I am providing an update to you about the closing of our schools and our plans to continue to provide breakfast and lunch to Ansonia children while schools are closed.

First, you may have heard that on Sunday night, the governor issued an executive order closing all Connecticut schools through Tuesday, March 31, 2020. Therefore, all Ansonia schools will remain closed at least through March 31.

Second, we have made arrangements with our bus company to help us distribute breakfast and lunches **STARTING THIS WEDNESDAY, March 18, 2020**. Today and tomorrow, March 16 and 17, “grab and go” meal packets were provided at each of our schools for parents picking up their child’s learning packets.

This food program will be similar to our Summer Meals program. Any child ages 5-18 or their parent/guardian may go to one of the bus stops below for a lunch and next day breakfast meal. No identification is required to receive these meals. **Please note that all four buses will leave Ansonia High School at 11 a.m. each day, and the drop off times listed below are approximate.** The buses will be parked in visible locations. Do not congregate and remember to follow the guidelines about social distancing.
